

MOTIVE8 EXTRA-CURRICULAR CLUB FAQs

Our extra-curricular clubs are delivered before school, at lunchtime or after school on school premises. Here are the answers to some frequently asked questions:

What should the children wear?

Children should wear either school PE kit or general sportswear. It is important for them to be comfortable and prepared for a physically active session. Children must wear appropriate footwear. If it is an outdoor activity, they should have a waterproof with them in case of wet weather. Also, if the weather is sunny, children will need hats and sun lotion is advised.

Do they need anything else?

All children should have a drink of water and snack if necessary.

Where are the sessions held?

All sessions are held on school premises - either on a school field, in a hall or on the playground.

What happens if the weather is bad?

Sessions will carry on if the weather is bad. In the case of severe weather conditions, outside clubs will be held in an alternative indoor space, which may be a classroom if the hall is not available.

All our coaches are equipped with wet weather packs to account for all scenarios of indoor activities relevant to the club.

How many children are in each session?

Our coach to child ratio is generally 1:15 for children over 8 years and 1:8 for children under 8 years. The only time this differs is if we use freelance coaches who have their own insurance that dictates otherwise.

Once the number of children goes over the above ratios, additional coaches are added to supervise the session.

What time do the clubs start?

Breakfast clubs run from 8:00-8:45am, lunchtime is dictated by the school lunch slot and after-school clubs run straight from the end of school for one hour.

How do the children get to the clubs?

Children change at school in their classrooms or the hall, then either make their own way to the club venue or are collected by coaches (depending on their age). Key Stage 1 children will be assisted by teachers or coaches, Key Stage 2 children will

make their own way. The coach will not leave until all the children have been collected safely. Children will not be allowed to travel home alone unless specific permission has been given on registration to the club.

MOTIVE8 EXTRA-CURRICULAR CLUB FAQs

What happens if there is an accident?

All coaches are first aid trained and are responsible for dealing with accidents that occur during the motive8 sessions.

Each coach is given a first aid kit and it is compulsory for them to have this at their sessions.

In the case of a serious accident, a teacher from the school will supervise the session whilst the coach makes arrangements for an ambulance to come.

How much do they cost and how much do I pay?

There is a sessional cost for clubs but we ask for payment for the term upfront to ensure we can safely control numbers.

The total amount due depends on the length of the term however all this information is available on our website under the relevant school/club link.

Can children trial the clubs?

We are happy for children to trial clubs in the first week only and require full details of the child due to attend so that we have up-to-date medical information and emergency contact details. These must be provided to a member of the motive8 schools team prior to the session's commencement.

If the child enjoys the session and wishes to continue, then payment must be made online that week to ensure the child is added to the register for future sessions and that the correct amount is paid for the remainder of the term. Failure to do this will result in the child being unable to participate in the club.

For further details, please contact the motive8 Schools team.
