

Would you like your school to be at the forefront of health and fitness provision?

motive8 is a market leader in the health and fitness industry.

Whether its reviving an existing facility or designing a bespoke gym from scratch, motive8 has the knowledge and experience to supply the best possible facility for your school.

It's a well known fact that healthier, fitter children are also happier and more motivated. With this in mind, motive8 has developed a gym design and training consultancy which provides schools with the right equipment, management expertise and fitness programs giving you the support needed to ensure students and staff get the most out of their gym.

WHY MOTIVE8?

- Make the most efficient use of budgets, big or small
- Support and advice every step of the way
- Reassurance that the equipment supplied is of the highest quality and durability
- Research-based gym design that is specific to young peoples' requirements ensuring maximum benefits to students
- Full equipment training for all end users from health and fitness experts
- Ongoing maintenance and servicing of the facility
