motive8

Established market leaders in the design and installation of residential health and fitness facilities.

Since 1998 we have fitted over 90 facilities nationwide.

Our projects include bespoke home gyms, private training studios, spas, swimming pools and large-scale corporate and residential projects. As a testimony of our quality relationships and aftercare service, we have ongoing maintenance contracts with 90% of the facilities we have fitted.

Motive8's 4-step gym design consultancy and project management solution is second to none

PROJECT SPECIFICATION

motive8 carefully considers every possible aspect of a potential facility in order to identify the most appropriate solutions. This information is presented in a proposal with a range of options, ensuring the customer is able to make the right choices and arrive at an effective end result that achieves their vision.

DESIGN CONSULTATION

motive8 liaises with architects, subcontractors and master planners to maximise the design impact of the project. Ensuring all health & safety, usage and maintenance considerations are taken into account, motive8's consultancy considers all elements of a facility's installation. This includes - equipment supply, flooring, sound proofing, acoustics, audio visual, mirrors, water supply, lockers and sanitary equipment. We place a large emphasis on the complete gym and spa journey for the end-user.

PROJECT CONTROL & DELIVERY

motive8 uses its extensive experience of project delivery to coordinate all aspects of the installation, providing on-site supervision throughout the project's build schedule to ensure that the installation is finished to the highest standard to guarantee complete client satisfaction.

MANAGEMENT & MAINTENANCE

motive8 organises facility inductions, maintenance and ongoing support usually with the client's management company as well as providing an unparalleled management service, offering everything from user inductions to a fully-staffed facility.
